……

OK
I'm going to bed
…?

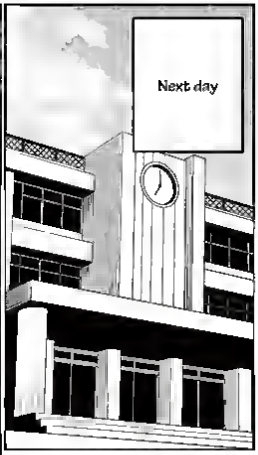
He sleeps in the morning these days
Isn't it funny that he is going to bed already…?
夕飯の時は起こすけど
(I wake him up for dinner though)
ガラガラ
(Rattle, rattle)

(Wilt・・・)
ズル…
He was acting normally as you saw
But I think he is forcing himself to smile
What?
If he was a monster, he should be completely healed in three days or so.
Not healed yet?
He still has scars from Iruka and they have not healed yet.

hmmmm
Having said so, he was attacked and lost parts of his body (even the heart) during the battle, so……
At any rate, I don't know much about him
I've never tried to get to know him so far.
But I'm most curious about you.
What can I do for him now?
I should learn how to heal his injuries.

It's my turn now

Here you go
(Thud)
どさっ



Next day

I just lent these books to you yesterday
I made summaries in my notebook and so am returning them to you now
… As usual, you work fast

Are you gonna start training today?
Nope
I have things to do today

I wanna talk to him about a few things when I come home
… I see
む
(Miffed)

Monsters and humans can't understand each other
I'm not.
Why are you upset?
He is originally a dangerous monster under strict control
What?
Now is the time to re-seal him when he is weak like this, isn't it?
Well… that's true, but…

I came in early for the committee work!
Kanade… You came to school unusually early

There you go! Miyo!

Don't be shy!
I told you, he's not my boyfriend.

(Yomk)
ガタッ!
!?
By the way, I saw your boyfriend going into the backstreet, Miyo

But he looked a bit funny
Hmmm…
He must have left the house again

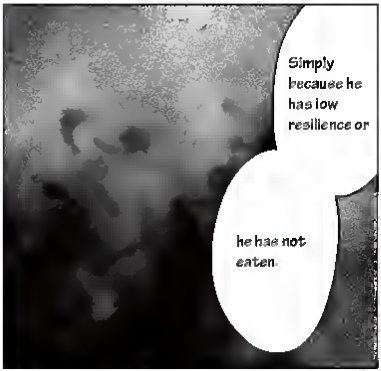
!!
That's…

I think I saw a black hand or something growing on his back…
弁当屋

I also saw black fog coming out of his body…
気のせいかな
(Am I hallucinating?)
What's he doing?!
人前で
(In public)

Monsters can recover from that degree of scars in three days.

… Miyo, do you remember what I told you yesterday?



Simply because he has low resilience or
he has not eaten

But there are exceptions

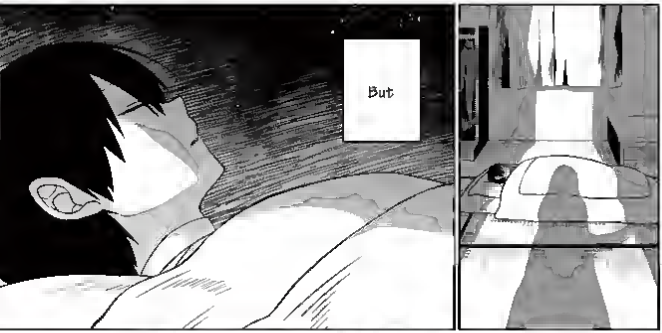
The same as humans?
?
Then it is the latter, but he is eating

But this doesn't mean that pet food provides the necessary nutrition for humans
Humans can eat pet food and this doesn't create health problems

…?

That's it. Food is different between humans and monsters.
(Stagger…)
Have you heard something from him…?
But I have more knowledge about monsters than you do.
As I said yesterday, I don't know much about him.

A week has passed since Soga no Iruka disappeared.
There has not been any trouble since.



But

I feel a strange uneasiness.
He's still asleep

What was he eating before he was sealed?

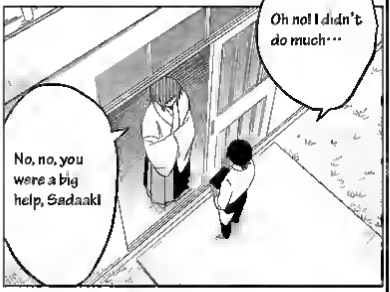
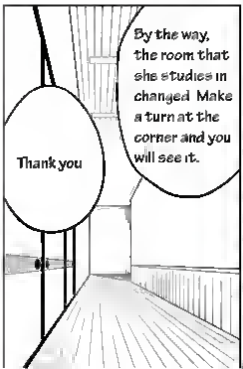
Hey
ガラッ
(Rattle)
Huh?
ピンポーン
Ding dong
If it isn't Sadaaki!
Good morning~ Is Miyo in?
She should be in her study What's up?
She asked me to lend her some books of secrets.



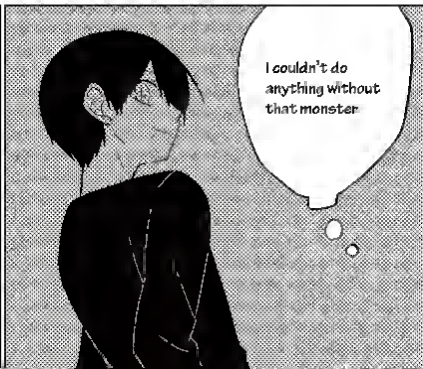
Oh no! I didn't do much…
No, no, you were a big help, Sadaaki

…That reminds me I haven't thanked you yet
Thank you for saving Miyo

I'm still weak



By the way, the room that she studies in changed. Make a turn at the corner and you will see it.
Thank you



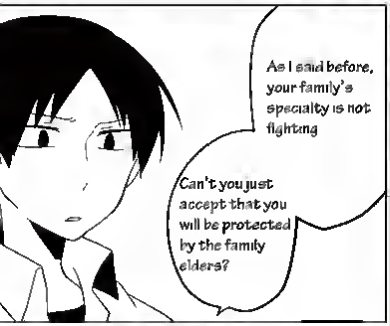
I couldn't do anything without that monster

(Rattle)
ガラ
He shouldn't be here at least.
Hi Miyo, I got you those books of secrets…
Speaking of which, where did the monster go?
?
This is a funny fountain pen, its ticking
It's not a fountain pen but a ballpoint pen Don't touch it!
This fountain pen has got a color, that's awesome!

(Whack)
Get out of here, monster!!
Owwww! And it's you again
That's what I'm saying, what are you doing here!!
I live here
あいて
(Ouch)

I'm Sadaaki.
What's your name again?
Sada… Sadaakira?
住…!?
live…!?

I chose practical and easy self-defense techniques, I think.
Books of charm as well.
(Thud)
Yeah… yes…
You got me the books. Thank you!



As I said before, your family's specialty is not fighting
Can't you just accept that you will be protected by the family elders?

I hope I can protect myself when someone attacks me in the future

Shut up.
You say so but still get me these books

You might be correct, Sadaaki.
Certainly

I was really upset back then.
Also
But I don't want to get the family elders involved

I was believing in my power too much and thinking that everything would go well with the purification force
But in reality, it didn't help me at all
(Squeeze)

Miyo……
I want to become strong.
it was not just me who was upset
I have to learn techniques as fast as I can as one never knows when one's enemies will come to attack
